Highly impressive. Thanks to visa2travelInstay team for their great support. I just applied yesterday for my son's Visa in a standard service (24-48 hours). But in a duration of 12 hours (before a day), today I get his visa. Before applying it, we were very confused for the Dubai Visa websites. But thanks to this team for their great quick effort. Highly Recommended to all.

This was an amazing experience for me as I don't have to go to any travel company, taking a day off from work and wait for Dubai/UAE visa application. Online visa approval is simply an exciting experience and I wish more countries start the same process sooner. Visa2travelstay is a saviour for me. Thanks Guys !
